THE LEADERSHIP ALLIANCE

Summer Research Early Identification Program (SR-EIP)

The Leadership Alliance

is a national consortium of leading research and teaching colleges and universities. The mission of the Alliance is to develop underrepresented students into outstanding leaders and role models in academia, business and the public sector.

What is SR-EIP?

More than a summer program, the SR-EIP gives students the opportunity to:

- **Fully Paid Research** Opportunities in All Fields
- Conduct 8-10 weeks of paid, scholarly research at one of 20+ Leadership Alliance member institutions with the guidance of a research mentor
- Participate in research seminars and professional development workshops throughout the duration of the program
- Present at the Leadership Alliance National Symposium with over 400 other undergraduate researchers
- Receive ongoing mentorship and professional development through graduate school and beyond
- Connect with a large alumni and professional network, with touchpoints to higher education and industry, offering multiple opportunities to connect and explore throughout your academic and professional career

Research Opportunities are available in these areas:

- Applied Mathematics
- Computer Science
- Education
- Engineering
- Humanities
- Life Sciences
- Mathematics
- Physical Sciences
- Psychology
- Social Sciences
